RE: Lift Station Repair Design

Dear Mr. Barrett:

This letter is our proposal for providing drawings and specification for bidding of the repairs for the storm damaged lift stations (No. 1, 2 & 3) for the Aransas County Navigation District.

Through discussions with you, we understand that the scope of work to be for the design of repairs that generally consist of replacing control panels, motors, mounting racks, level sensors and related miscellaneous control items.

G&W Engineers Responsibility

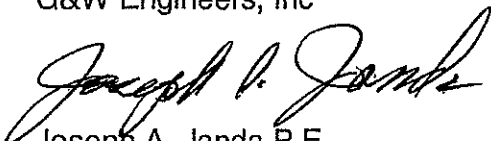

Complete Engineering design of the repairs to the three lift stations..

- Preliminary Dwg. \$ 1,500
- Design Dwg. \$ 3,000
- Specifications/Proposal \$ 2,000
- Shop Drawing Review \$ 500
- Inspection \$ 600

We will perform the above-described work for a lump sum price of \$7,600

We greatly appreciate the opportunity to submit this proposal. We are looking forward to the opportunity to be of service to you.

Sincerely,
G&W Engineers, Inc

Joseph A. Janda P.E.
