Rockport Navigational District,

We are seeking a spot in the Rockport Navigational District to sell from our vender trailer. Paradise Beach Ice Cream is a new start up business. Our trailer is Diamond 16 x12 foot. It is the typical layout vending trailer, a raise and lower vending window and a pop-up shelf outside. It is equipped with three soft serve ice cream machines, refrigerator and deep freeze. It has built in cupboards and the required 3 compartment sinks for dishwashing and a separate handwashing sink. It has air conditioning and indoor and outdoor lighting. It came equipped with a generator, but we prefer to use electricity from an outlet. It is equipped with hot water heater and fresh and wastewater storage. Please see the pictures.

Signage on trailer is changed to reflect the name change.

Our menu is simple; a variety of flavors of ice cream cones, shakes, sundaes and bottled cold drinks. We do not sell any hot foods but may modify our menu in the future to include packaged snack items such as chips and candy bars.

We would like to begin selling yet this fall to get our feet wet before the busy season begins.

If you have any questions please feel free to contact me.
